

ADVANCED CSA COURSE FOR POLICE AND PUBLIC SAFETY

A 2 hour and 15 minute on-line training program is designed for Campus Security Authorities (CSAs) who work in the Campus Police or Public Safety Department, as it includes additional information to assist first responders in their efforts to gather the necessary information to assist the agency in their Clery Compliance efforts. This program contains information about the following topics:

- Who are "campus security authorities" and what are their reporting obligations?
- Who is included and exempt from the reporting?
- Geographic locations—understanding the geography for which criminal offenses need to be collected.
- Classification and definition of crimes (Primary-Part 1 Crimes and Violence Against Women Act Crimes).
- Issues for CSA's regarding Arrests and Judicial Referrals for Drug, Liquor and Weapons Violations.
- Timely Warning requirements.
- Daily Log requirements.
- Annual disclosure requirements.
- Reporting Emergencies, Fires and Missing Persons.
- Additional Public Safety Considerations for Geography.
- Additional Public Safety Considerations for Responding to the Clery Crimes.
- Additional Public Safety Considerations for Reporting Fires, Missing Persons and Incidents Requiring Community Notification.

The Advanced CSA course includes required information from the 2013 VAWA Final Regulations, such as the definitions of domestic and dating violence and stalking. It does not include optional content such as bystander intervention, risk reduction strategies, etc.

Violence Against Women Act (VAWA) Course

The Violence Against Women Act (VAWA) Course- a 35 minute course that contains information about the following topics:

- How to respond in sound ways to reported offenses of sexual assault, dating violence, domestic violence and stalking
- Overview of bystander intervention
- Overview of risk reduction
